The European Group of Museum Statistics (EGMUS) invites you to its 2024 Plenary Meeting, held in Paris on October 10-11. This event brings together international experts and representatives from European statistical services to discuss current challenges and trends in the museum sector.

The meeting will focus on two main themes:

- Diversity in Organizational Models and Museum Professionals
- Analysis of Public Attendance in Museums

Participants will present research findings and data-driven insights on museum attendance and organizational practices across Europe.
